### Hi Folks

The Memorial Day party was a huge success this year. Again, I owe many thanks to all of you that helped. Everyone pulled together and the weather was fantastic for once. Bobbie and I still do not have our boat finished. We are hoping to have it by the 4th of July. As you may have heard Bobbie had a herniated disk in her neck and has undergone an operation to fix it. With the recovery we have not been to the club but we will make it one of our first priorities when she is better. We are looking forward to getting over and relaxing. I stay in touch with Judy about the day to day club business but if anyone needs anything please call me. We are looking forward to seeing all of you soon.

## Entertainment Report

Rocky & Paula Gross

Well we had a wonderful Memorial Day this year and a great turnout. Thanks to all who did the set up, grilling, clean up and everything else. It just wouldn't have been a party without the help of all.

### Independence Day Party is on Saturday July 1st.

#### PLEASE BRING A PASSING DISH OR TWO.

#### Dinner served at 1:00 pm

The 4th of July Party will be held on Saturday July 1st. We will be serving Prime Rib & Chicken (with the help of my great grillers Charlie, Larry, Gill and many others). We will have draft beer, wine, pop and water. We are asking that everyone **PLEASE** bring a passing dish or two so there will be plenty of food for all. Last year we had a very large turnout and hoping this year will be even bigger. There will be two (2) prices this year, members \$6.00 and guest \$8.00. Dinner will be served around 1pm so bring your appetite and come join the fun.

#### **CRUISES:PELEE ISLAND: Scudder Marina**

Arrive Friday July 28th Depart Sunday August 30th. I will be checking with Mark at the Anchor & Wheel to see if he can put together a buffet style dinner for Saturday night. On Saturday afternoon we were hoping to see how many would like to go to the winery for a fun filled afternoon. They have a pavilion with grills and they have a food hut where the bread and cheese is an excellent appetizer to go with your wine. They have tours (and you keep the glass) with a tasting following. If we get enough people for this we could have our own tour and pick up at the Marina by the Winery so please let us know **ASAP**.

#### **KELLY'S ISLAND: Portside Marina**

Arrive Friday August 25 Depart Sunday 27. At this time we have no other info so please someone help out on what to do.

**Check on page 3 for the registration forms for the Pelee Island Cruise and the Kelly's Island Cruise.**

What a great Memorial Day weekend we had. Highs in the 90's! Tons of members and guest showed up for a fun cook out and get together. Hopefully the 4<sup>th</sup> of July will bring more great weather and an even bigger turnout.

We still have several un-powered season docks available on N dock for boats 30' and under. Please contact me if you are interested.

If you are interested in becoming more active in the Club, please contact an officer or director, or the nominating committee. We always need members with new ideas to keep the Club fresh and fun.

Mark your calendars for January 12 – 14<sup>th</sup>. The Landcruise this year will be at the Cleveland Airport Marriott in conjunction with the Cleveland Boat Show. Discount Boat Show tickets will be available. Plan to join us for a weekend of fun, great food and entertainment.

## TREASURER'S REPORT

John Wierzchowski

---

Most of this newsletter is to inform all of the summer's events, so I won't take up much space. Here's our quick financial position:

Checking Account:	\$ 1,809
Savings Account:	\$ 60,105
Building Funds:	\$ 232,999
Total Cash:	\$ 294,913

It looks like we will need about \$20k of the Savings for operations this year leaving about \$40k to add to our Building Funds.

As far as the events go, most of the information in this letter is available on the website. Keep in mind that I update the website as quickly as possible as information becomes available. Therefore, bookmark [www.mbiyc.com](http://www.mbiyc.com) and check the site frequently for new news.

I urge all to take advantage of the Club this summer. As you all know, it may close for a while after next year and who knows at this point what will follow. Did you know that on almost any weekend (except the days of the picnics on Independence Day and Labor day you can get a DOCK ON AN ISLAND FOR \$15 WITH POWER? Call the dockmaster and check for availability and make use of your membership! Have a great summer.
